

SHOWERMAN

FRAMELESS SLIDING DOOR SHOWER

Create a feeling of space and luxury with a bespoke made to measure frameless glass shower with a sliding door. Beautifully designed to complement your bathroom design. Perfect for tight spaces with less space for a shower door to open into the bathroom. For tiled bathroom spaces, but can be used on a larger size acrylic shower tray. Smooth rolling system with quality hardware fittings.

Custom made to measure shower to ensure the best fit for your bathroom space.

Quality sliding door system and handles available in chrome or matt black.

Manufactured with toughened 10mm safety glass.

Standard height 2000mm.

Range of handle choices.

Installed by Showerman trained team of installers.

Size Options

Fully Made to Measure (minimum 1200mm width).
